Feb 2015 – June 2017	**Graphic Designer** *Tezzeract* *Dhaka, Bangladesh*	**Skills: Photoshop, Illustrator** • Design Facebook Post, Banner, Brochure, Business Cards • Photo Retouch of Magazine Model Photoshoots

Best Projects

Retina LMS
React, Ant Design

A Learning management system 🔗
Designed frontend of a Learning Management System using React.js. Collaborated effectively with backend developer to create a captivating Single Page Application, gaining proficiency and mentorship along the way.

Doctor Dekhao
React, Ant Design

Telemedicine App 🔗
Contributed to this Telemedicine App, excelling in React.js to meticulously design front-end layouts for medical consultation and prescription services. Adapting the mobile-first design to desktop, I overcame challenges with guidance from a senior co-worker, ensuring a seamless and responsive user experience.

Khulna Tigers
React, Redux, Laravel

BPL Team Website (Official) 🔗
Created the backend panel and API utilizing Laravel, while crafting the frontend using React based on provided UI designs. Implemented Redux for efficient state management.

Education

2009 **Higher Secondary School Certificate**
Lakshmipur Govt. College, Lakshmipur, Bangladesh
